

The image shows a close-up of a highly decorative stone architectural element, likely a pediment or a crest, set against a clear blue sky. The stone is light-colored and shows signs of weathering. The central part is topped with a complex, multi-layered carving of leaves and scrolls. Two large, curved scrolls flank the central section, each ending in a smaller, more intricate scrollwork design. A semi-transparent watermark logo, consisting of a stylized 'U' and 'E' intertwined, is overlaid on the left side of the image. The text 'UNIVERSIDADE DE ÉVORA' is printed in a light, sans-serif font across the center of the image, partially overlapping the stone and the watermark.
